

Heaven or Las Vegas "CLEARANCES" Policy

Most, but not all, items in our inventory are made from "Cleared Art". HLV will sign clearance agreements covering any item we have designated as "Cleared". Please refer to the following numbering system to assist in identifying these items.

All props have a 6 digit numerical code immediately followed by "C", "K", or "X".

"C" represents Cleared Art. HLV will sign Clearance agreements covering these items.

"K" indicates we believe item to be cleared & / or in the public domain. But as we do not own explicit rights, we cannot sign clearances. Productions must make independent evaluations.

"X" indicates Vintage signs, Antiques, or found objects and are NOT cleared art.

NON EXCLUSIVE NATURE OF RENTALS

All Clearances & Licenses granted are "Non Exclusive rights".

As a prop house operating under standard industry practices, our props are rented to many different productions. Under no circumstance are rights to be understood as exclusively transferred.
