

HLV PROP NUMBERING SYSTEM

HLV prop #'s are 6 digits followed by a series of letters.

Examples: 125-600**C-NT** or 125-600**K-AN** or 125-600**X-ANP**

BACKING TYPE is identified by first 3 digits.

- 100- Authentic Vintage Sign
- 125- Faux Vintage Sign on vintage style cabinet or minimal mtl frame
- 150- Neon mounted on plexiglass
- 175- Neon mounted on a studio flat (1x3 with luan skin)
- 250- Un-mounted neon
- 300- Equipment rentals
- 900- Assemblage Prop – made by combining multiple props.

CLEARANCE STATUS is identified by letter in the 7th digit

“C” represents Cleared Art. HLV will sign Clearance agreements covering these items.

“K” indicates we believe item to be cleared & / or in the public domain. But as we do not own explicit rights, we cannot sign clearances. Productions must make independent evaluations.

“X” indicates Vintage signs, Antiques, or found objects and are NOT cleared art.

RENTAL EQUIPMENT is referenced in the final letters.

- “NT”** (Transformer NOT included)
- “AN”** (This prop animates)
- “ANP”** (This prop can animate with the use of additional rental equipment)
